

Physics

- RHIC is running well
 - Gains to be made at rebucketing, store lifetime
- Averaging $1.95e9/\text{bunch}$ at physics on
- STAR bumped up to 100kHz leveling
- Wednesday Maintenance
- Monday 56 MHz development
- Downtime due to power supply issues (sorted by the weekend) and two substantial power dips that affected most of the complex

Moving ahead

- Maintain quick turnaround times
- APEX Wednesday
- 4 hours for 56 MD Thursday
- PHYSICS
