Time Meeting – RHIC Ops

8/12/2025

Next slide please...

Physics

- RHIC is running well
- Availability very good this week, over 92%
- APEX day Wednesday, quick recovery to physics
- Storage RF systems running well
- Background work to switch to Tandem MP6. MP7 goes down on the maintenance day to get a new set of foils installed.

Moving ahead

- Maintain quick turnaround times
- Restore 56 if possible
- MaintenanceWednesday
- PHYSICS
