

INTT Weekly Meeting

Joseph Bertaux

Purdue University

Jan 30, 2025

- /home/phnxrc/INTT/rcdaq backed up to:
 - https://git.racf.bnl.gov/gitea/sPHENIX/intt_rcdaq
- /home/phnxrc/INTT/sphenix_inttpty was already backed up to:
 - https://git.racf.bnl.gov/gitea/Instrumentation/sphenix_inttpty.git
 - This is the Instrumentation's Gitea
- I created another remote location for these codes in the sPHENIX Gitea:
 - https://git.racf.bnl.gov/gitea/sPHENIX/sphenix_inttpty
 - All our *.py and *.sh files were added and committed
- Note that the commits are attributed to Mickey Chiu
 - This is the global default configuration of opc0
 - It may not be important to change
 - You can specify who is the author in your commit messages
