

FFAG'17 International Workshop on FFAG Accelerators

Friday, 8 September 2017

New Concepts - Physical Science Building, Room 401 & 403 (4th Floor) (14:00 - 17:30)

time	[id] title	presenter
14:30	[6] Test of Linear-Field Non-Scaling FFAG Arc with a Wide Energy Range	Dr BROOKS, Stephen
15:00	Coffee Break	
15:30	[7] Novel concept of a Non-Scaling Fixed Field Alternating Gradient Accelerator	HAI TAHAR, Malek
16:00	[8] NS-FFAG matched to the long linac straight section	Dr TRBOJEVIC, Dejan
16:30	[9] The Study of Scaling FFAGs in a multipole ion trap	KELLIHER, David
17:00	[53] Lossless crossing of half-integer resonance stopband during tune modulation by synchrotron oscillations	WANG, Guimei
