

DAC Charge 2025

nHCal

Caroline Riedl (nHCal DSTC)
May 13, 2025

- “Main focus is on the technical status. The charge also mentions cost, schedule, and risk; but this is not a formal review of these items for the project.”
- <https://indico.bnl.gov/event/26584/>. Charge attached to top of indico
- Slides preparation - use as baseline slides from “Mini Review” March 25, <https://indico.bnl.gov/event/27365/> . Will need input from everyone
 - ▶ May 13-19 - collect content from group (by email)
 - ▶ May 20 - draft slides version 1 in nHCal meeting
 - ▶ May 27 - draft slides version 2 in nHCal meeting
 - ▶ **May 27-28**: page-turn / rehearsal for DAC review.
“Fully completed talks with the message what the status of the design is clearly articulated.”
 - ▶ Friday May 30 - my target to complete slides
 - ▶ ~June 4 - final slides uploaded (the week of the calo workshop at ORNL)
 - ▶ Friday **June 13** - nHCal talk at DAC
