

RHIC Data and Analysis Preservation Round Table

08/21/25

Introduction

RHIC DAPP Review - Update

- Review took place on July 1st, the agenda and charge are available on [indico page](#)
- Since last meeting, the report has been released (it is attached to the indico agenda of today's meeting).
- I have prepared slides with *my personal interpretation* of the report.
 - Full discussion of the report will take place **next week**.
 - As today's agenda is already full my slides are **postponed to next week**
- Other news: The PAC is scheduled (Oct. 16-17) with DAP on the agenda

Today

It is about RAG (Retrieval Augmented Generation) applications:

1. RAG ChaBot for sPHENIX - Cheng-Juei (Fish) Yu 
2. Update on DAP ChatBot – Vincent Garonne

- Next meeting: Thursday 8/27 – 10:00 AM EST - **TBC**
