

Help Build SciBot — Preserve RHIC's Legacy

Every Q&A you submit keeps 20+ years of RHIC knowledge alive for future scientists

What We Need From You:

-  Help benchmark and improve SciBot
-  Pose a challenging RHIC physics question that ChatGPT cannot answer
-  Share your answer (brief or detailed—both help!)
-  Time: ~5-10 minutes per Q&A
-  Goal: Build a comprehensive RHIC knowledge base

Recognition & Impact:

-  Contributors acknowledged in validation paper
-  Help shape AI-powered future of nuclear physics
-  Make RHIC discoveries accessible to next generation
-  Join colleagues across all RHIC experiments
