TBD**Speaker**

Alejandro Sonzogni

14:40–15:00

TBD**Speaker**

Amy Lovell

15:00–15:20

Break

15:20–15:40

Updating GEANIE Experimental Data by Evaluated Fission Product Yields, and Los Alamos CoH-based Evaluation (LACE) Framework**Speaker**

Toshihiko Kawano

15:40–16:00

LLNL FPY Modeling and Evaluation**Speakers**

Ramona Vogt, Ramona Vogt

16:00–16:20

Fission product yield data for basic physics research and applications**Speaker**

Anton Tonchev

16:20

Thursday 8 January

13:30

17:30

Evaluation: Evaluation (Neutrons)
