

# Reco WG | Q&A Form

- **To help make meetings more interactive:** we now have a form to collect questions on reconstruction!
  - ☞ [Link to the form](#)
  - Questions can be about any aspect of reconstruction
  - Hopefully will help build our knowledge base as a community
    - › (collect FAQs, develop documentation, another channel for help)
- **Will respond to select questions every 4<sup>th</sup> Monday of the month!**
  - And others via email (naturally)
