

The EIC Users Group Award Ceremony 2026

In recognition of outstanding contributions (both experiment, theory, as well as about instrumentation, computing or accelerator technologies) to the advance of the EIC project and physics case.

Electron-Ion Collider

EICUG Award rules

Three categories:

see also <https://www.eicug.org/content/award.html>

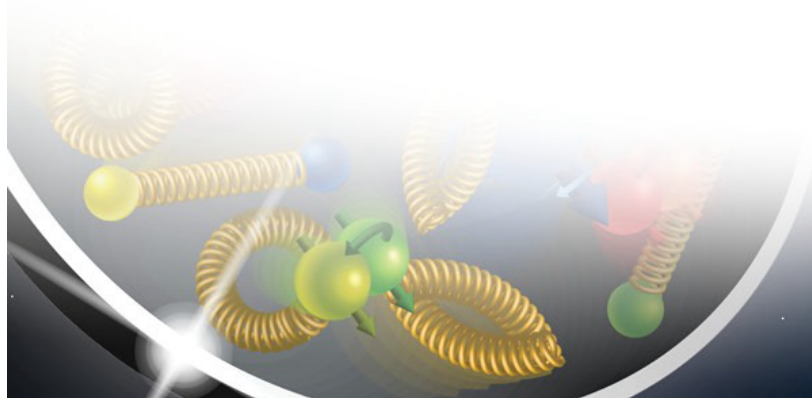

graduate students: holding a Ph.D. for no more than six months from the submission deadline, excluding career interruptions

post-docs: max. of eight years of research experience following the Ph.D. on the submission deadline, excluding career interruptions

junior faculty or lab equivalent: max. of six years of research experience as faculty members on the submission deadline, excluding career interruptions; only work done as faculty member is evaluated

Three winners, one for each category

The Selection Committee is formed by the EICUG Steering Committee

The EIC Users Group Award 2026

Certificate of Recognition

The EICUG Steering Committee
extends its recognition to

Saurav Goyal

for his outstanding contribution to the advancement of the EIC project and physics case in
the graduate student category

Anselm Vossen, EICUG Chair Elect

Douglas Higinbotham, EICUG Chair

Or Hen, Past Chair

Graduate Student Category

Electron-Ion Collider

The EIC Users Group Award 2026

Certificate of Recognition

The EICUG Steering Committee
extends its recognition to

Stephen Kay

for his outstanding contribution to the advancement of the EIC project and physics case in
the postdoctoral fellow category

Anselm Vossen, EICUG Chair Elect

Douglas Higinbotham, EICUG Chair

Or Hen, Past Chair

Postdoctoral Fellow Category

Electron-Ion Collider

The EIC Users Group Award 2026

Certificate of Recognition

The EICUG Steering Committee
extends its recognition to

Domenico Colella

for his outstanding contribution to the advancement of the EIC project and physics case in
the junior faculty category

Anselm Vossen, EICUG Chair Elect

Douglas Higinbotham, EICUG Chair

Or Hen, Past Chair

Junior Faculty Category

Electron-Ion Collider
