

Introduction

- ☐ Safety first (BNL is a construction site).
- ☐ The agenda is divided into two main blocks:
 - ☐ Day 1 :
 - ☐ a morning presentation and an afternoon discussion of action items and synchronisation of the E0/E1/ePIC plans.
 - ☐ Data streaming and workflow and data orchestration
 - ☐ New use-cases
 - ☐ There will be highlights from the EICO/ECSJI May meeting and recent discussions with ESnet, BNL and JLab management.
 - ☐ Action items and next steps
 - ☐ Day 2 :
 - ☐ splinter meetings
- ☐ Successful BNL and JLab collaboration
 - ☐ American Science Cloud Demos and Genesis proposal(s)
- ☐ No host dinner today.
