Session Program

19–23 Oct 2026

ICFA Beam Dynamics Mini Workshop on Modern Optimization of Dynamic Aperture

Early Indicators and Long-term Stability II (Joseph Scott Berg, Chair)

Cornell University, Room 401 Physical Sciences

Wednesday 21 October

13:00

Early Indicators and Long-term Stability II (Joseph Scott Berg, Chair)

Session | **Location:** Cornell University, Room 401 Physical Sciences | **Convener:** J. Scott Berg

13:00–13:30 **Fast Fourier Transform approach to Tori Foliations**

Speaker
Andrea Fornara

13:30–14:00

Open discussion: early indicators of reduced dynamic aperture and their utility - discussion leader Scott

Speaker
J. Scott Berg

14:00
