

Exclusive/Diffraction/Tagging Meeting

Convener Updates/Agenda Items

Jan and Stephen

08/24/2026

- **New ZDC geometry in EICRecon**
 - Latest simulation campaigns have updated ZDC geometry
 - Stephen already observed difference in performance
 - Please cross-check how your analysis is affected, if using ZDC
- **ePIC Physics Readiness Workshop**
 - December 1–3, 2026, at Lehigh University in Bethlehem, Pennsylvania
 - <https://indico.bnl.gov/event/33969/overview>
- **Today's updates:**
 - Timelike Compton Scattering Update (Gary)
- **Next meeting on September 21**
 - September 7 is holiday in the US (Labor Day)

- **General status:**
 - Overall good shape
 - New sections added by Sal
- **DVMP – J/ψ (Olaiya)**
 - Physics Forum tomorrow!
- **DVCS (Oliver, Maxime)**
 - Good progress on extracting asymmetries
- **TCS (Gary)**
 - Today's update

Thanks!
Any questions?
