Shared Reconstruction Priorities: Closing Gaps for TDR Readiness

Session

14:00–14:10	**Shared Reconstruction Priorities: Gaps and Plans for TDR Readiness**
14:10–14:30	**Particle Flow Reconstruction: Status and Plans**
14:30–14:40	**Discussion**
14:40–14:50	**IRT2 for dRICH and pfRICH: Status and Plans**
14:50–15:00	**hpDIRC Reconstruction: Status and Plans**
15:00–15:10	**TOF Reconstruction: Status and Plans**
15:10–15:40	**Discussion**
15:40–16:00	**Break**
16:00–16:20	**Holistic Reconstruction: Integrating Central and Far-Forward Reconstruction**
16:20–16:30	**Discussion**
16:30–17:00	**Holistic Reconstruction: Connected Reconstruction Graph and Event Record** **Speaker** Dr Derek Anderson
17:00–17:15	**Discussion**
17:15–17:35	**Event Kinematics: Semi-Inclusive and Exclusive Measurements**
17:35–17:45	**Discussion**

18:00
