

Updates from PACs

Salvatore Fazio (Calabria)

Rosi Reed (Lehigh)

Charlotte Van Hulse (VUB)

Physics Analysis Coordination Meeting – September 29, 2026

- **Physics Readiness Workshop**

- **December 1–3, 2026**, at Lehigh University <https://indico.bnl.gov/event/33969/>

- **Early Science Report**

- NIM-A submission target for ESR and 4 accompanying PWG papers: end of October
- Report to us if still any issues with needed simulations

- **Deferring of part of the fEMC**

Set up of task force:

- continue acceptance studies: DVCS, DVMP π^0 and J/ψ
- determine impact on position and timing resolution
- identify other, also non-exclusive, potentially affected channels

- **Next meetings:**

- Physics forum: October 6 at 11:00
- PAC meeting: October 13 at 08:30
