Dear SVT enthusiasts,

As you have heard, there will be an SVT meeting in Berkeley on October 8 and 9. You can find the indico site at <https://indico.bnl.gov/event/33887/overview>

There is a registration page, hotel information, and a prototype agenda.
Please register to let us know that you plan to come (or participate remotely).
The agenda will be updated shortly, so please stay tuned.

If you plan to come, but we haven't communicated about it yet, please register, and also send an email to Barbara and to our group admin, Michele Anne. Then we can make sure that the proper paperwork for access to the lab is done.

Our emails are
bjacak@lbl.gov
mmanne@lbl.gov

We look forward to seeing many of you in Berkeley!

Sincerely,
Barbara, Zhenyu, and Ernst
