

Welcome

Traffic at the Lab

- Traffic Safety
 - Speed limit is 15 mph
 - Follow traffic and parking signs
 - Obey all traffic control personnel and security officers
 - Bicyclists must wear helmets and obey traffic rules and signs

Pedestrian Safety

- Stay on the sidewalk
- Cross at crosswalks

Smoking Policy

- For those adults who choose to smoke, the Lab has provided ash cans in a few places throughout the site
 - Outside away from doors/windows
 - Away from dry brush
 - Use the ashcan

Earthquake Response

- **Drop** down on the floor.
- **Cover** under a sturdy desk, table or other furniture. In an auditorium, cover your head with your arms and get between rows of chairs.
- **Hold** on and be prepared to move with the furniture

Evacuate to the assembly area (usually in parking lot).

Follow Directions from the building emergency team.

Wildlife at LBNL

LBNL is next to extensive parkland and mountain lions have been sighted here recently

- Avoid hiking or jogging alone
- Do not approach a lion. Give it a way to escape.
- If you encounter a mountain lion, do not run; face the animal, make noise and try to look bigger by waving your arms; throw rocks or other objects.
- Fight back if attacked. If a mountain lion attacks a person, immediately call 911.

Turkeys are generally harmless but they are wild and can behave unpredictably so keep your distance

Watch out for them when driving
