

2018 NSLS-II and CFN Users' Meeting

Tuesday, 22 May 2018

Workshops - Various Locations (12:55 - 18:30)

time	[id] title	presenter
13:00	[65] High-throughput and Data-driven Approaches Guiding Smart Operando Experiments	
13:00	[59] Emerging Nanomaterials and Nanostructures for Plasmonics and Nanophotonics Applications	
13:00	[60] Soils for a Sustainable Future	
13:00	[61] Characterization of Electrochemical Energy Storage Systems: Advanced Spectroscopy, Microscopy and Diffraction Techniques
