

Quantum Entanglement at Collider Energies

Monday, 10 September 2018

Day 1 - Session 1: Block 1 - C-120 (09:10 - 10:30)

-Conveners: Dmitri Kharzeev

time	[id] title	presenter
09:10	[9] Entanglement negativity - from fermionic systems to tensor networks	RYU, S.
09:50	[10] Entanglement and eigenstate thermalization	POLKOVNIKOV, A.

Day 1 - Session 1: Block 2 - C-120 (11:00 - 12:20)

-Conveners: Dmitri Kharzeev

time	[id] title	presenter
11:00	[11] Novel collective phenomena at the LHC and their implications to quantum entanglement	LI, W.
11:40	[12] Recent experimental results and outlook from e+e- annihilation	VOSSSEN, A.
