

# CP Violation results from Belle

*Thursday, 15 August 2013 17:00 (20 minutes)*

We report Belle results on CP violation in  $b \rightarrow u$  modes such as  $B \rightarrow \rho^0 \rho^0$  and  $B \rightarrow \pi^+ \pi^-$  as well as in  $b \rightarrow s$  modes including  $B^0 \rightarrow \omega K_S$  and  $\eta' K_S$ .
