

Session Program

21-24 Jan 2020

Exploring QCD with light nuclei at EIC

EIC simulations / Planning

SBU Physics Building C-120
Stony Brook University Stony Brook, NY 11794

Friday 24 January

14:00

17:00

EIC simulations / Planning

Session | **Location:** SBU Physics Building C-120, Stony Brook University Stony Brook, NY 11794

14:00–14:30 **Event reconstruction in inclusive eA scattering**

Speaker
Barak Schmookler

14:30–17:00 **Discussion: Simulation tools, collaboration, next steps**
