Conduct using ZOOM

- ❑ All sessions will use ZOOM
- ❑ Remote-login instruction are posted on the INDICO page!
- ❑ Speakers:
 - Please upload your talks before.
 - Share your screen and navigate through your slides: Click on the bottom middle share button and select share option - Entire screen or Powerpoint/Keynote/Adobe program!

- ❑ Please keep your microphone muted and video turned off.
- ❑ Questions should be addressed by click on the blue "raise hand" - A symbol will appear next to your name which a session will then use to allow to ask a questions!
- ❑ Discussion sessions are handled by sessions chairs!

Concluding Remarks

- We are in the middle of a world health crisis - Please take good care of yourself / your loved ones, friends and colleagues!
- Many of us - if not soon all of us - will work from home. This will change our lives quite a bit for some time.
- Let's remain in close contact through regular remote video conference meetings - The EIC Yellow Report activity will and should focus our attention on what unites us moving forward in this difficult time!
