

Reading Email on the RCF Server after 4/15

- Use Roundcube web interface – <https://webmail.rhic.bnl.gov>
 - Roundcube server will be upgraded on 03/30/2020 – Transparent upgrade.
 - 2 factor authentication will be enforced on 03/31/2020.
 - Accessible from computers and smartphones
- Use Lab VPN (native app or Cisco app)
 - No change to email client configuration
 - VPN must be connected to read email - all network traffic goes through VPN
 - Usable on computers and smartphones
- Use SSH tunnel
 - Email client configuration must be changed
 - Tunnel must be connected to read email – only IMAP traffic through tunnel
 - Usable on computers and Android smartphones
- Outgoing email is not affected by IMAP change on 4/15
