My Conference
My Contributions

09:00	Complementarity of detectors - Introduction Online	<i>E. C. Aschenauer et al.</i> 08:30 - 08:45
	Open mic session Online	08:45 - 09:15
	Accelerator and IR design: Q.&A. session Online	09:15 - 10:00

Open MIC session on Complementary Detectors
Friday, May 22, 08:45 - 09:15 am (EDT)
submit max 3 slides by Thursday, May 21, 04:00 pm EDT
to elke@bnl.gov & paul.newman@cern.ch

Q.&A. session on Accelerator and IR design
Friday, May 22, 09:15 - 10:00 am (EDT)
submit questions by Thursday, May 21, 04:00 pm EDT
to eicug-yr-qa@eicug.org

Using Zoom

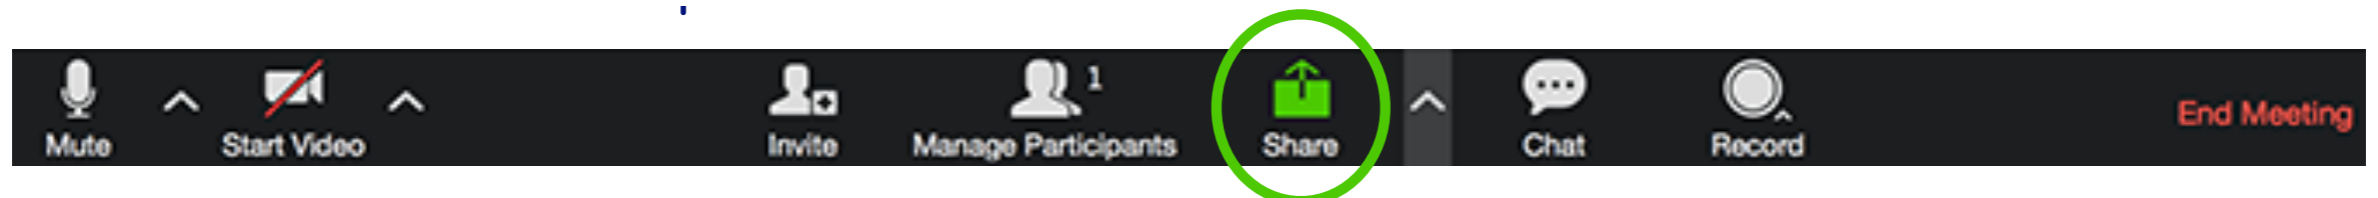

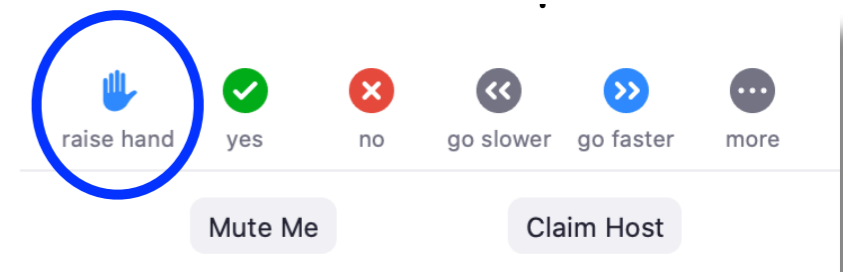

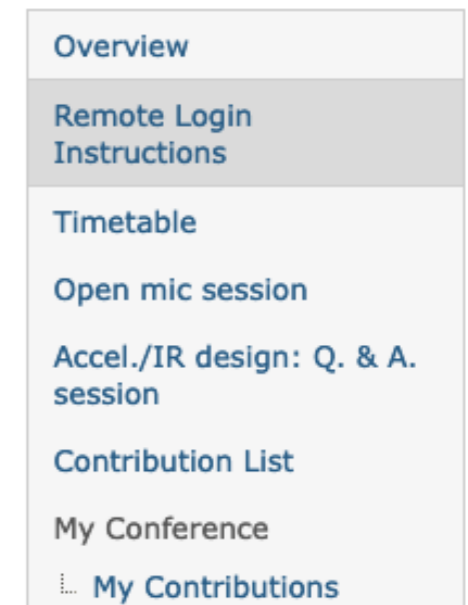

- Remote-login instructions posted on Indico page (and updated daily)

- Please, keep your microphone muted and video turned off when you are not speaking

- Questions should be addressed by clicking on the blue “raise hand” button that appears at the bottom of “Participants” list

- Speakers:

- please, upload your talk before session starts
- share your screen by clicking on the green “Share” button and selecting option “Entire screen” or Powerpoint / Keynote / Adobe window
