

Expression of Interest (EOI) Private Information for EIC Project

(This document is a companion of the Expression of Interest, and contains any information you would only like to be viewable by the EIC Project, i.e., it will not be viewable to all by password. The document can be submitted by an individual institution or an individual country, but can also be submitted by the same group who submitted the Expression of Interest. DEADLINE FOR SUBMISSION: NOVEMBER 1.)

Please indicate the name of the contact person for this submission of private information:
(if the group submitting is similar as the public EOI submission, you can use the same primary contact person and further contacts)

Please indicate all institutions collectively involved in this private information submission:
(if this private information submission comes from the same groups working together within their country, their geographical region, or as a general consortium, as the public EOI submission, please use the same structure here)

Please add any further information you would like to provide:
