

2nd YR ("Pavia") meeting preparation

Pavia meeting Agenda:

- **Plenary overview** (by PWG conveners): need your input, see [sample template](#)
- **Parallel session 1**: Diffractive & Tagging WG by itself and organized by you
- **Parallel session 2**: with Exclusive Reaction WG, co-organized by you
- **Parallel session 3**: with Exclusive+(far)-forward detector groups, your input/suggestions needed
- **Plenary discussion**: procedures for PWG&DWG information/results flow
- **Software Q&A session**: please send your software questions to us in advance (by end-of-day tomorrow)

Common format to share kinematic coverage
