

JETSCAPE

School 2020

Online

Participants

Over 200 registered participants

We encourage you to help others

At the end, we will ask for nominations for the most helpful participant. We will select the 3 most helpful participants and give them a prize.

Please update

Demographic information - Only Abhijit and Christine have access and we are only going to use this in aggregate. The primary purpose is to provide information to NSF.

Your institution - Appears on the web site!

The routine

Meeting 9-12 Eastern Monday - Friday

Alternate between lectures and interactive sessions

Chairs will moderate the discussion and highlight questions for the lecturers.

Choose the sessions which are most relevant to you.

Sessions

Session 1 - The Framework - recommended for all

Session 2 - Physics Lectures

Session 3 - The Medium

Session 4 - Jet Quenching

Session 5 - Bayesian analysis of the soft sector - prerequisite for Session 6

Session 6 - Bayesian analysis of the hard sector

Logistics

- Please keep your mic muted unless you are speaking and your camera off unless necessary.
- We have not disabled participant-to-participant chats in Zoom, but be aware that these chats are transcribed when the session is recorded. These are not private chats.
- Breakout rooms
 - Technical support breakout room
 - Other breakout rooms may be created if a large fraction of participants have the same issue or question.
 - Must request that the chair add you to the breakout room.

Asking questions

Chat in Slack - *preferred*

- Technical questions which could be answered after the session
- If you have the same problem as someone else, please use a thumbs up to indicate that you have the same problem.

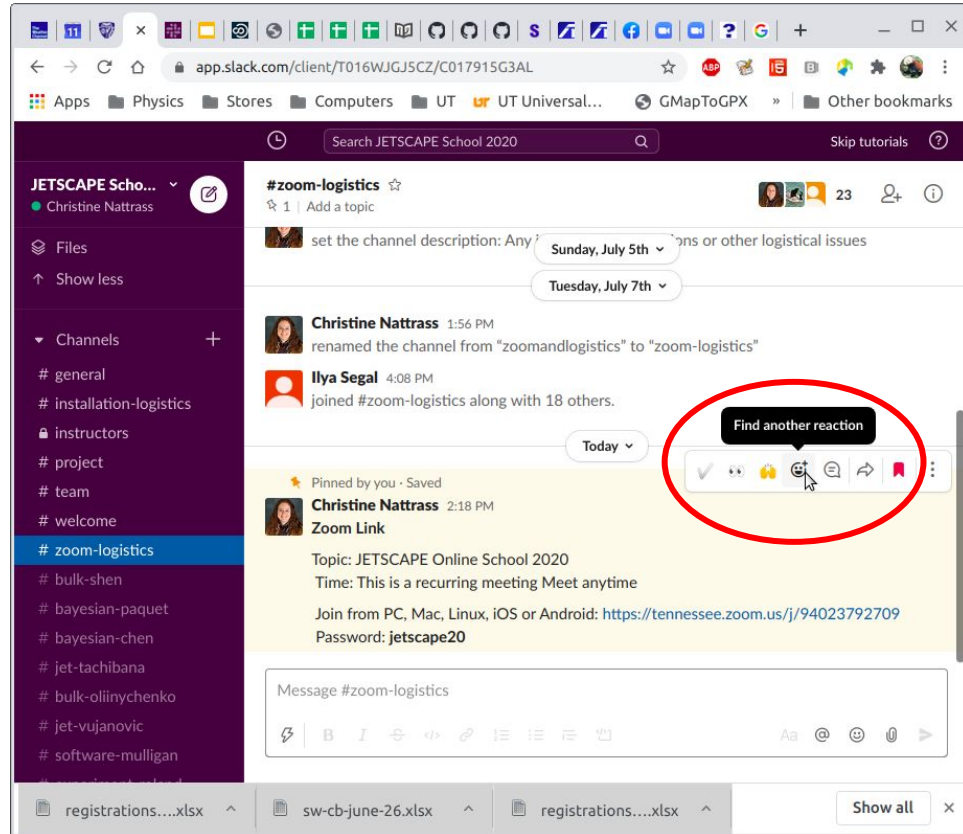

Chat in Zoom

- Questions which won't make sense after the session
- Request to join a breakout room
- Questions asked here will not be followed up after the session

Raise your hand in Zoom

- May follow asking a question
- May be appropriate for a follow up question

Reacting in Slack

The screenshot shows a Slack interface for a channel named "#zoom-logistics". The channel is currently selected in the left sidebar. The main content area displays a pinned message from Christine Natrass, titled "Zoom Link". The message content includes the topic "JETSCAPE Online School 2020", the time "2:18 PM", and a Zoom meeting link with password "jetscape20". A red circle highlights the reaction menu at the bottom of the message, which includes icons for thumbs up, fire, smiley face, and a plus sign. A tooltip labeled "Find another reaction" is visible over the plus sign icon. The top of the interface shows the Slack search bar and the channel name. The bottom of the interface shows a message input field and a "Show all" button.

Zoom features

- Some instructors will use Zoom yes/no to ask the audience questions.
- You can raise your hand to ask a question.

Post-school survey

A survey will be distributed to evaluate the school.

Please participate. This is important to our funding agencies and provide us with helpful feedback for future schools.

Other

Do you need a certificate of participation? Email Christine.
