

## **Session Program**

**29 September 2020 to 1 October 2020**

## **Future Trends in Nuclear Physics Computing** ***The Role of Data Centers in Scientific Discovery***

## Wednesday 30 September

09:00

### The Role of Data Centers in Scientific Discovery: Password for watching the recording: NP.TRENDS20

**Session** | **Conveners:** Dr Graham Heyes, Ofer Rind

**09:00–09:15**

#### Workshop Introduction and Recap

**Speakers**

Paul Laycock, Torre Wenaus

**09:15–09:45**

#### Data Centers in a Decade

**Speaker**

Eric LANCON

**09:45–09:55**

#### Questions on Talk

**10:00–10:30**

#### Data and Analysis Preservation and Open Data

**Speaker**

Maxim Potekhin

**10:30–10:40**

#### Questions on Talk

**10:45–11:15**

#### User Perspective and Requirements

**Speaker**

Dr Graham Heyes

**11:15–11:25**

#### Questions on Talk

**11:30–13:00**

#### Discussion of the Role of Data Centers

13:00
