

Topics

- Hadronization in nuclear DIS
- Final-state interactions in high-energy processes
- Nuclear breakup in high-energy processes

Program

W. Chang: BeAGLE generator for nuclear breakup
A. Jentsch: EIC forward detector for nuclear breakup
Discussion

A. Ferrari: FLUKA Cascade model
B. Guiot: Hadron formation in nuclei
Discussion

U. Mosel: Nuclear final-state interactions in DIS and other processes
A. Larionov: Nuclear cascade in low-energy nuclear breakup
Discussion
