# General Services Update

- Retire rssh & atlasgw ssh gateways soon
  - Have 4 ssh.sdcc.bnl.gov ssh gateways (can add more if load requires)
- NX testing status?
  - Need more testers & feedback
  - Close to putting it into production (need better OTP setup system first)
    - Warning: NOT production yet, we might still make changes
- Status of password changes
  - As of 9/24: 358 / 1782 total "active" accounts (20% in 10 days)
    - 1323 active + 459 active but expired principal (never set password)
