

General Services Update

- Retire rssh & atlasgw ssh gateways soon
 - Have 4 ssh.sdcc.bnl.gov ssh gateways (can add more if load requires)
 - Delayed announcement till after the password change is done
- NX testing status?
 - Need more testers & feedback
 - Close to putting it into production (testing better OTP enrollment now)
 - Warning: NOT production yet, we might still make changes

Status of password changes

As of 10/8: 1069 / 1729 total “active” accounts (62% in 23 days)

- 1440 active + 289 active but expired principal (never set password)
