

# General Services Update

- Password stats: 1301/1761 (74%) changed - 460 deactivated
- Retiring rssh & atlasgw ssh gateways soon (1-2 months?)
  - Announcement sent this week and MOTD updated on rssh & atlasgw
  - Does not affect the cssh gateways (reduce number from 4 to 2?)
- Rftpexp next ones to be replaced
  - New sftp setup soon (no interactive logins, only sftp access)
    - External pair and internal campus only visible pair for group account logins
- Mattermost server will be updated next week
- NX testing feedback? Close to putting into production.
  - NX client or web browser: [nx.sdcc.bnl.gov](https://nx.sdcc.bnl.gov)
- New user form group/experiment selection updated
